Capabilities Statement

Clark Bolen is the legal industry's top court reporting and video conferencing company. For over three decades, we have been the premier choice for court reporting in complex litigation cases. Our technology, customer service, efficiency, and value are unbeatable. At Clark Bolen, client care is our top priority. Our number one goal is to provide peace of mind that a job with us is a job well-done. The world of litigation management and court reporting technology is ever-evolving. Clark Bolen has worked diligently to provide cutting-edge, state-of-the-art tools to help you win cases. The technology division of Clark Bolen is an experienced IT staff dedicated to providing the latest in legal videography and video conferencing.

Clark Bolen has over thirty years of experience providing accurate and reliable court reporting, video conferencing, audio transcription, and videography services. Our in-house team of certified stenographic court reporters and certified legal video technicians excel in accuracy and provide turn-key transcript packages for deposition, hearing, and arbitration proceedings. Clark Bolen works diligently to provide a wide array of litigation services and excellent customer service.

We have worked diligently to create a court reporting company that is client-focused, efficient, and cutting-edge. We value our clients and the relationships we build with them. Working in this ever-evolving industry creates welcome challenges that our team meets head-on. We understand that you are putting your trust in us as guardians of the record, and we have full confidence that our team will exceed all of your expectations.
